

Grumpy Friend

Material :

Socks

Polyfil

Buttons

Needle & thread (or glue gun and glue sticks)

Pipe cleaners

How To Create It :

Take a sock and fill with Polyfill.

Tie knots along the sock to create different body parts (eg: neck, arms, legs)

Attach eyes, nose and mouth, either by sewing them directly on the sock or using a hot glue gun.

Attach the pipe cleaners to create the hair by pushing it through the sock fabric.

Enjoy your friend!
